Japanese Restaurant

AKASHI

Welcome

Akashi means "bright stone" and is also a city in Japan well known for its seafood, especially snapper.

Contrary to popular belief, sushi doesn't mean "raw fish", it really means "preserved fish". Whatever your appetite fancies, whether it's sushi or cooked, our menu offers a colorful variety of authentic Japanese fare.

So please sit back, relax and let our expert sushi bar chefs and versatile culinary staff dazzle you with Akashi's unique specialties that will keep you coming back for more.

Enjoy your meal!
